Sonoma Forge Enhances Design of Popular Roman Tub Filler

From the industrial-style WaterBridge Collection, the new floor-mounted tub filler needs only a single diverter for the spout and accompanying hand shower

(Petaluma, CA, August 2, 2022) Sonoma Forge bath fixtures, known for elevating humble plumbing parts such as copper tees, elbows, and simple pipe to lofty designer status, has enhanced the design of its **WaterBridge Roman Tub Filler** with attached hand shower.

The Roman tub filler features a single diverter, rather than the previous model's two separate shut offs for the filler and hand shower. This design change not only improves functionality it

“The simple and familiar shapes of our WaterBridge Collection combine with rustic and modern finishes to lend a unique vibe to the bathroom that is both simple and sophisticated.”

—Erik Ambjor, Sonoma Forge President.

Elbow Spout and Waterfall Spout

results in a more streamlined, elegant design. The previous model is still available as a special-order item.

The floor-mounted WaterBridge Tub Filler has the distinctive Sonoma Forge appeal, and like the matching faucets from the collection, it offers the choice of split-bamboo Waterfall Spout or the more utilitarian Elbow Spout. Standard finishes include Rustic Nickel, Rustic Copper, Satin Nickel, Oil-Rubbed Bronze, and luscious, trendy Matte Black.

“The simple and familiar shapes of our WaterBridge Collection combine with rustic and modern finishes to lend a unique vibe to the bathroom that is both simple and sophisticated,” said Erik Ambjor, Sonoma Forge President. “The improvements to our Roman Tub Filler provide users with a pleasing visual experience as well as a bath fixture that is as functional as the elements which inspired its design.”

WaterBridge Roman Tub Fillers are forged in America.

About Sonoma Forge

Located in the heart of Northern California’s wine country, Sonoma Forge’s roots are steeped in a rich history of industrial foundries where craftsmen hand forge metals. We celebrate the art of skillful metalworking and machining by highlighting the beauty of metal in our unique line of designer faucets and tub fillers, dramatic shower systems, and coordinated bath accessories. Our distinctive product line offers homeowners refreshing design options with a decidedly masculine sense of style that enhances any setting, whether urban loft, country villa, or boutique hotel. Sonoma Forge’s artistry and attention to detail is supplemented with innovative technology in models offered with **Sans Hands**, our exclusive sensor faucet technology. All Sonoma Forge products are handcrafted and assembled by artisans dedicated to forging the finest, most extraordinary products on the market.
